BACKSTAIRS DIPLOMACY" WINS OUT IN PEACE CONGRESS

ot be completed until one year from FAR REACHING EFFECTS formal certification by the thirty-sixth

Prohibition leaders regard the efctive date as a matter of small moent, however, inasmuch as country wide prohibition is ordered July 1 by the war measure passed by Congress conserve grains. That measure recomins in force until after demobilizapleted, which many think will not be before the constitutional amendment is operative.

The United States is the first great nation to enact a permanent prohibitory measure. With the outbreak of the war Russia stopped the sale of intoxicants by imperial order; France adopted a stringent regulatory policy. and other countries did likewise, but none of them took legislation action Ma stop the sale of liquor forever.

Enormous revenues derived by the Federal Government from taxes on manufacture and sale of alcoholic drinks will be cut off by probibition. It is planned to raise \$450,000,000 this year by beverage taxes. In peace times the amount was it. .. but still ran into the hundreds of millions.

protest against the "gentleman's Foreign Office was to-day being preagreement" which forbids any of the pared for the first meeting of the delegates from giving any informs. Congress, at which it is not expected flon whatever, outside of the offi- that any of the large questions, aside olal statements, on which public opin. from those of organization and proion may be formed and guided. Official circles in Paris are not dis-

cussing peace nor terms to-day. At- of the full delegations of the contention is occupied with the quest ference drawing near, the question of tion whether there will be a recon- representation to be accorded all the nations except Russia has been dissideration of y sterday's action. The understanding is that the posed of and the remaining probin-

American and British delegates op- mary sessions will only have before poxed the decision, but that the French, Italians and Japanese, voting together, prevailed.

Announcement of the meeting with orrespondents this afternoon was made in the official statement of today's session of the council, which also gave out the information that the Russian question had been disussed and would be jointly examined later after the various Governments had exchanged their latest information on the subject with each The official communique reads:

The President of the United States of America and the Prime Ministers and Foreign Secretaries of the Allied Powers, assisted by the Japanese Ambassadors in Paris and London, met to-day at the Quay d'Orsar from 10.00 A. M. to 12.20 P. M.

The question of the relations between the conference and the press was first taken up. It was decided to call a meeting of the members of the press and the Allied and associated countries at the Press Club, No. 80 Avenue Des Champs Elysce, to-day at 5 o'clock for the interchange of views as to the method to be

The meeting then took up the question of the situation in Russia and agrees that the Governments should acquaint each other with the latest information at their disposal, with a view to the joint examination of the question.

The next meeting will be neld to-motrow, Friday, at 19.30 A. M. to Supreme Council met a cemier Clemenceau and Foreign Representative of King of the Minister Pichon; for the United States, President Wilson and Secretary of State Lansing; for Great Britain, Premier Lloyd George and Foreign Secretary Balfour; for Italy, have been helding out in Medina, hely Foreign Minister Sonnino, and for

GERMAN GIRLS ARRESTED FOR TALKING TO SOLDIERS OF AMERICAN ARMY

Fraternization in Occupied Regions Forbidden by Command of Gen. Pershing. The great Salle de la Paix at the

COBLENZ, Jan. 16. WENTY German girls who were engaged in sweeping streets at Andernach, near here, have been arrested, charged with a violation of General Pershing's orders forbidding them to talk with American soldiers. These arrests have served to emphasize the determination of the American command not to permit fraternization in the occupied regions. Approximately the same number have been proved guilty of violating the order and have been deported to points within the German lines:

There has been a slight relaxation in the enforcement of the order in certain remote centres, but here and in larger towns it is rigidly observed. The provost guard or military police are certain to interfere should an offlowr or soldier attempt to talk
